Triple Crown Road Races

Aiken, South Carolina

7:30 am, Saturday, March 8, 2025

Join us March 8th for the 39th running of the Triple Crown Road Races!

The Triple Crown 10 Miler traverses a scenic course through the historic horse district of Aiken South Carolina, starting and ending at the Odell Weeks Activity Center. Flat, fast, and certified, 10 current state age group records have been set on this course. The Triple Crown 10 Mile Road Race is a great opportunity to test your race fitness or take the next step toward marathon distances. Aiken's average low and high temperatures in March are 43F and 71F respectively, ideal conditions for a fast time and pleasant post-race celebration.

Looking for a shorter distance? Complementing the flagship 10-mile event is a 5K. And a Virtual option is offered: complete 30 cumulative miles between February 2 and March 2.

Net proceeds from the Triple Crown Road Races will benefit the *Great Oak Equine Assisted Programs*, a local equine-assisted program that promotes the physical, emotional, and psychological health of individuals with special needs (www.greatoakeap.org).
