EXPLANATION AS WRITTEN BY DROIDS:

In a galaxy where the harmony of the Force orchestrates our destinies, so too does the symphony of music resonate within our hearts. Just as the Jedi need their lightsabers, our community thrives on the artistry and unity woven by our local professional orchestra. Like the Force binding the galaxy together, supporting our orchestra ensures the continuance of a cultural saga, enabling the melodies of our shared experiences to transcend boundaries. Your donation becomes the very Force that empowers these musical experiences to exist, much like John Williams' iconic score, enriching our lives and transporting us to galaxies far, far away. May your support echo through the halls of our orchestra, forging a legacy as enduring as the epic tales of Star Wars.

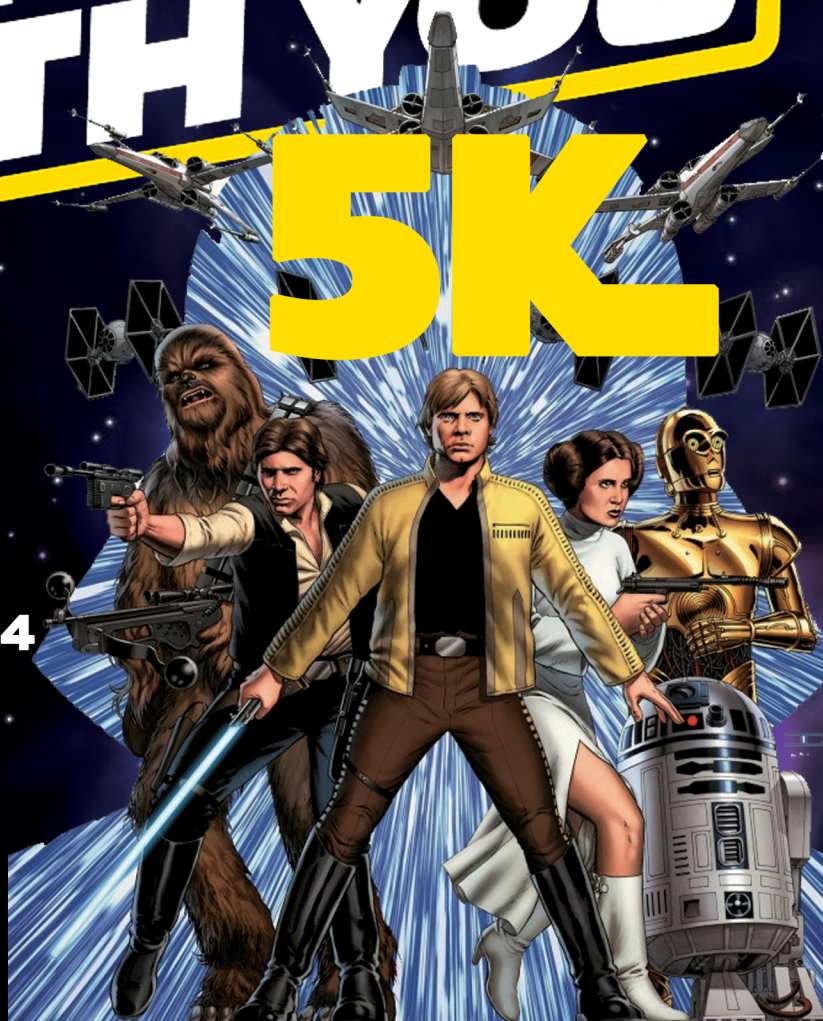

EXPLANATION AS WRITTEN BY A HUMAN:

This is going to be fun! Join the SC Phil for our 2nd annual Star Wars Themed 5K run/walk! This spring event is perfect for the avid runner or the family looking for an afternoon stroll. After your run/walk relax with food, beverages and live music from SC Philharmonic musicians! Your participation will make you one with the Force, and support the SC Phil's artistic, education and outreach programs.
